INTERNATIONAL ADMISSION REQUIREMENTS

High School Students:

The requirement for first year freshman admission is a 2.75 cumulative grade point average (on a scale of 1.0 to 4.0 with 4.0 being the highest grade). To be considered for freshman admission, all graduates from secondary institutions must complete the pre-university educational curricula in their own country, including all internal/external state and governmental examinations required for university entrance, in addition to meeting the 2.75 overall grade point average.

Any applicant, regardless of grade level, may be required to submit SAT or ACT scores if admissibility is not clearly demonstrated on the basis of previous high school coursework.

University/College Transfer Students:

For admission into the liberal arts curriculum, the transfer admission requirement is one year of coursework and a cumulative grade point average of 2.0 (on a scale of 1.0 to 4.0 with 4.0 being the highest grade). Professional programs of study may have up to two years or more of prerequisites and require higher percentages or averages for admission. Please refer to the section on "**Programs of Study and Professional School Admission Requirements**" for further explanation.

Transfer applicants with less than one year of college or university-level coursework should also request an official high school transcript, certificate, or mark sheets.

Transfer students taking coursework at the time of admission to Wayne State must request an updated official transcript showing any additional credits. This transcript must be sent from that institution to the following address: Wayne State University, Office of University Admissions, PO Box 02759 Detroit, Michigan 48202-0759, U.S.A.

Applicants on probation, or with less than a 2.0 grade point average, or who have been excluded from another college or university, are asked to wait one calendar year before applying for admission at Wayne State. At the time of application, regular transfer admission requirements must be met.

REQUIRED ACADEMIC CREDENTIALS

To be considered for admission as an undergraduate international student, applicants must submit official transcripts, mark sheets or other appropriate records of all secondary and/or university level grades/marks, description of courses (if available). The recording of grades of one or more colleges or universities upon the transcript of another institution does not meet this requirement. If the educational system is similar to the American pattern, all courses should be listed with letter grades (A,B,C,D,E) or a comparable grading scale. Where the European system (based on subject fields rather than courses) is used, official record of subjects taken, as well as the results of all examinations taken and passed, specifying the level of academic achievement, must also be submitted. In countries where the unit, credit, or hours for each course is used (i.e. hours per week), this should also be listed on the academic record.

All transcripts must be in native languages (where applicable) and an official English translation of these documents, with official signatures and seals of the issuing institutions, must also be submitted.

COPIES OF DOCUMENTS

Photocopies of original documents must bear the signature and seal (if applicable) of the registrar/tabulator, or examination controller of the issuing institution. **The signature and seal must be original and separate from the photographic image. Attested or "true" copies are acceptable only if certified by signature and seal (if applicable) of an administrative official of the school in which the studies were completed.** In many instances academic documents can be attested by the local embassy or consulate located in the country from which the student is applying. For additional inquiries regarding the process of requesting and verifying academic credentials, please contact the international admissions counselor.

NON-UNIVERSITY EVALUATION AGENCIES

It is recommended, but not required, that applicants with credentials from countries outside of North America submit transcripts to evaluation agencies. You may send your academic credentials to the Educational Credential Evaluators (ECE) for evaluation regarding equivalency and transfer of coursework. Contact ECE by mail at P.O. Box 92970, Milwaukee, WI 53202-0970 U.S.A., by phone at

(414) 289-3400, or via the internet at www.ece.org. For additional evaluation agencies, or any other inquiry, you may contact the international admissions counselor.

ENGLISH PROFICIENCY REQUIREMENTS

The following applicants are exempt from taking the Test of English as a Foreign Language (TOEFL), the Oral Proficiency Examination, and the Test of Written English (TWE):

- International students whose native language is English.
- Applicants who have completed all their secondary or post-secondary education in the United States, Canada, or other English speaking countries such as the United Kingdom, the West Indies, and other countries specified by the Wayne State University Office of University Admissions.

For those applicants not meeting the above exemption requirements, a minimum score of 550 TOEFL, 5.5 Oral, and 5.5 TWE are required. If taking the computer-based TOEFL, a minimum score of 213, in addition to a 5.5 Oral score, is required. Applicants may also take the University of Michigan English Proficiency Exam (MELAB). The minimum MELAB score required for Wayne State admission is 85, as well as a TWE score of 5.5. For more information about the MELAB, please contact the University of Michigan at (734) 764-2416.

Applicants whose native language is not English, but who have been instructed in the English language, are not necessarily exempt from the TOEFL/TWE/Oral requirements.

The TOEFL/TWE/Oral Bulletin of Information and Registration Form is available from high school and university counseling offices and at many agencies. These agencies include the Institute of International Education, African-American Institute, Amideast, and the American-Korean Foundation. If this information is difficult to find in your local area, write to TOEFL, Box 6151, Princeton, New Jersey, 08541-6151 USA. Or you may contact TOEFL by phone at (609) 921-9000 or online at <http://www.toefl.org>.

You may also contact the Testing and Evaluation Office at Wayne State by calling (313) 577-3400 for instructions and registration information for the international TOEFL. Students who have already submitted an application to Wayne State may contact the English Language Institute at (313) 577-2729 regarding the institutional TOEFL/TWE/Oral exam.

UNIVERSITY APPLICATION DUE DATES

Fall—May 1 (Classes begin in September)
Winter—September 1 (Classes begin in January)
Spring/Summer—January 1 (Classes begin in May)

Applications received after the above deadlines will be deferred to the next semester if appropriate.

PROFESSIONAL PROGRAMS

Applicants to professional schools (such as: Pharmacy and Allied Health, Nursing, Business Administration, Education, and Social Work) should note the additional requirements for admission into these programs. **In many instances, admission to professional programs requires a supplemental professional school application.** Please contact the respective program or department for additional information. Applicants who do not meet admission requirements for the professional programs may choose to be considered for admission into the pre-professional programs in the College of Liberal Arts or Science.

FINANCIAL DOCUMENTATION OF SUPPORT

International students must provide official financial support statements documenting the sponsor's willingness to pay for tuition, registration fees, books and supplies, and living expenses (if applicable) for the duration of the anticipated study period at Wayne State (usually 4 years).

You or your sponsor's ability to provide the needed funds must be verified by a third party, such as a bank. You may use the bank statement included in this booklet, or you may request a letter from your sponsor's bank indicating the name of the bank, the account number, account holder's signature, and bank official's signature. These documents are required for the student F-1 or J-1 visa petition at the American Embassy/Consulate in the home country. It is advised that the student request two original copies of financial documents: one for the visa application and one for Wayne State University.

REGISTRATION PROCEDURES

The Certificate of Eligibility (Form I-20) accompanies the letter of admission and includes additional information about registration procedures. Once your student visa is approved and you have entered the United States, **it is imperative that you contact the Office of International Students and Scholars (OISS) at (313) 577-3422. You must present your I-20 or IAP-66 to the OISS in order to finalize your transfer/entry. Failure to do so may affect your student status in the United States and will prevent you from registering for classes in the semester following your entry.** If you misplace your Form I-20, please contact OISS for a duplicate copy.

This form must be completed and submitted along with an **original** bank statement or official letter of award from the sponsor as part of the admission process. **Please note that photocopies of the documents are not acceptable.**

The United States Immigration and Naturalization Service's regulations require that all international applicants demonstrate their ability to meet all living and educational expenses for the entire intended period of study in order for the University to issue a Certificate of Eligibility (Form I-20 AB or IAP-66). For this reason, **this form must be completed and returned regardless of the source of funding.** If the applicant will be supported by personal and/or family funds, SECTION A on the reverse side of this form must be completed. If the applicant will be supported by a government, agency or organizational sponsor, the sponsor must complete SECTION B.

If the applicant is married and plans to bring the spouse and dependent children to the United States, additional funds are required to cover the expenses of the spouse and children.

The Wayne State University Office of Admissions will not issue the Certificate of Eligibility until the applicant has:

1. Provided evidence of acceptable English proficiency (undergraduate students may attend the English Language Institute);
2. Provided evidence of adequate financial resources;
3. Received a positive admission decision.

In addition, if admitted, the applicant will need to prove to the US consulate officer in the home country that there are sufficient funds to cover the first year of study. Therefore, we suggest that you request two original copies of all financial documents: one copy for you to keep and submit to the U.S. Consulate and the other to send to WSU with the original application for admission.

Please return this completed form to:
