Absorb Korea while studying at the University of Seoul.

- Travel to Seoul, South Korea for a semester or a year to study at the University of Seoul.
- Earn college credit while building a global network.
- Learn about Korea’s past, present and future while experiencing various culturally relevant locations.

Students from any Wayne State University college or school are eligible to apply provided their plans are approved by the department where they expect to earn their degrees.

Academics
During the Fall and Winter Semester students are eligible to take classes in the following areas: Korean Language and Culture, International Relations, Economics, Urban Sociology, Business Administration, Materials Science and Engineering, English Language and Literature, Urban Engineering, Physics, Electrical and Computer Engineering, Korean History, and Chinese Language and History.
During the Summer Semester students are eligible to take classes in the following areas: Asian Studies, History, Art, Political Science, International Studies and Korean Language.

- All classes, besides language classes, are taught in English.
